Summary

Designer with experience in user research, interaction design, and AI-powered product design through an Electronic Arts sponsored capstone project. Recipient of the Best Overall Design from Design for America and multiple Dean's List honors.

Experience

Experience Designer (Capstone)

Jan 2026 – Jun 2026

Electronic Arts

Seattle, WA

- Researched second-screen habits and AI expectations through 100+ survey responses and 10+ user interviews
- Defined opportunity areas for FC 26 Career Mode, focusing on information overload, decision support, and player control
- Designed 4+ AI-assisted user flows and high-fidelity prototypes that explain player changes, recommend lineups, and support squad decisions

UX Designer

Jun 2024 – Aug 2024

Count On

Remote

- Designed 8+ interfaces for AI-driven shopping assistant, improving clarity by restructuring information and adding comparison features
- Conducted 10+ usability testing, heuristic evaluation (NN/g), and competitive analysis for 4+ tools
- Delivered UX improvements for a responsive AI eCommerce experience and presented findings to stakeholders

Summer Intern

Jul 2024 – Jul 2024

PwC Korea (Samil Korea)

Seoul, KR

- Researched investment opportunities through market and financial analysis, presenting 4+ executive level insights to support strategic decisions
- Conducted comparative research on 5+ global and domestic financial products, analyzing adoption trends, market positioning, and business performance
- Synthesized complex financial information into audit documentation, including NPL schedules and valuation-related reports
- Awarded as a Top 3 out of 10 teams for producing an intern-led corporate introduction video through cross-functional collaboration

Education

University of Washington

Seattle, WA

Bachelor of Science in Human Centered Design & Engineering (HCDE)

Sep 2022 – Jun 2026

- Minor in Informatics
- Overall GPA: 3.89/4
- Awards: Dean's List (Annual: 2023-2025, Quarterly: Winter & Spring 2026), Best Overall Design (Design for America 2024-2025)
